Subject: Can I Sponsor Your Club?
To: monaromaster@yahoo.com.au

Hi,

Do you need sponsors for your club or organization? I represent a network of advertisers who are looking to sponsor pages on educational websites. These pages can represent clubs, events, or societies. Our advertisers are willing to pay you a flat monthly rate of \$25 per ad to place small text based ads on your website. We will sell up to 10 sponsor ads per page so your club or personal page can make up to \$250 a month per page once all your ad space is sold. (We can sell less if you only need a few sponsors).

This is a great way for our advertisers to give back to the community while at the same time advertising their services. You have final approval of all ads, and we will work with you to bring you the type of ads your club is willing to accept. All of our advertisers are family friendly organizations looking to form partnerships with community based groups.

This is a 100% Legitimate offer - Please email me back if you are interested or have any questions, and we can discuss further. We already have some advertisers lined up and can pay you *via* pay-pal or we can write you a check.

Please visit our site www.authoritysites.com/education.html for more information.

Thanks

Owen Andrew
